Our library consists of more than 38000 books, 100 journals/ periodicals, and scores of regional andnational newspapers and magazines. Our library has a rich treasure of Encyclopaedia Britannica, other encyclopedias, and some other rare collections. Our College has been part of the campus of Sri

S'ad Vidya Mandal which is buzzing with academic activities. At first sight, one feels that the learning and teaching environments here are congenial to students.

In June 1967, the institution started functioning from J. P. Arts and Science College, Bharuch, another prominent institution of the Mandal. At present it can boast of its building with state-of-the-art facilities at its disposal. MKCC today is well-equipped with independent Shri R C Joshi Library, MKCC Computer Lab, Seminar Hall, Conference Hall, separate NCC, NSS, Gymkhana offices, Gymnasium, separate parking facilities for staff and students, sprawling lush green sports complex, Swami Atulanandji Auditorium, boys' and girls' hostel, and canteen facility. The institution has also a banking facility in the form of Axis Bank including ATM which functions from the same campus for the last seven years. Our academic endeavours also speak volumes for themselves; this institution was awarded 'The Best College of Gujarat' in the year 1986-87 and a cash prize of Rs.50, 000/- by the Government of Gujarat. This in itself is the testimony of our academic output. Some of our students have topped the University Examinations, and some have clinched medals and accolades in sports events and other competitions. This achievement is particularly remarkable on the ground that every student who desires to take admission and possesses minimum eligibility conditions is admitted to the course. The Institution has a permanent affiliation with VNSGU Surat and has been listed under 2(f) and 12(B) of the UGC Act, 1956.

We have drawn a perspective plan to further our academic expansion. Under this, we have planned to propose to go for UGC sponsored and self-financing vocational course like a vocational course in Computer. On the academic front, innovative experimenting in teaching, learning, and evaluation is being carried out by the faculties thereby making the teaching-learning process more interesting, interactive, and participative. We have attempted to nurture and foster the talent and potential of the students within the purview of the Higher Education System.

The institution has reached its present status of eminence due to the dedicated and devoted teamwork of the teaching and administrative staff and constant support, encouragement, and moral and financial aid from the Management. The members of MKCC Parivar are committed to striving hard to reach still greater heights in higher education, thus thereby fulfilling the aspirations and expectations of the society and founding Saints of the institution who have contributed tremendously to the cause of higher education.
